

I am Gregg Marchand from the town of Windham,

I am here to oppose the unnecessary proposed bill 6193 ***AN ACT CONCERNING THE SUSPENSION OF THE MOTOR VEHICLE OPERATOR'S LICENSE OF PERSONS WHO COMMIT MULTIPLE MOTOR VEHICLE MOVING VIOLATIONS.***

The reason I oppose this bill, is if drivers do have multiple moving violation[s] the driver already has to pay for the fines and the drivers insurance fee goes up. Myself with many others, we ask is that enough money coming out of our pockets? The answer is definitely yes.

If my license gets suspended, how am I supposed to make ends meet, to go to work and shop and bring the children to sporting practices?

And I'm sure the Operating Retraining Program is another pay mechanism towards Department of Motor Vehicles bank account.

Again we pay enough for moving violations. Do you really need this bill to go through? Of course not! Please think of our well - being and our bank accounts, which are dwindling as it is. We honestly do not need amended laws that keep taking away from us CT. tax paying citizens.

It truly reminds me of the seat belt law which really is not a moving violation because when a person drives without the seat belt he or she does not have any effect on any one's driving ability therefore it's not really a moving violation. Yet according to law it is one.
